September 2016 - January 2017
Amsterdam - The Netherlands

I worked on a five month project developing an online platform for Cinekid Amsterdam. Cinekid Unfold is a platform for Cinekid to showcase their content from the professional program.

The Degree Show 14

Creative Director
December 2013 - June 2014
London - United Kingdom

Worked as the Creative Director for Ravensbourne's Degree Show, responsible for the visual identity of the UK biggest student-lead degree show with over 3500 tickets booked. I also managed a team of designers and produced elements for print, digital and broadcast media.

AMV BBDO

Graphic Designer
February 2013 - February 2013
London - United Kingdom

Working on a one-week live project for a major UK tech company with an International team of people from all over Europe. The role included the graphic design for the project and supporting the team with research and personal knowledge.

Tvende Media

Graphic Designer
Photographer
October 2008 - September 2012
Arendal - Norway

Working on editorial layout and design, doing weekly work on three to four newspapers with a distribution of 500,000 copies a week. I re-design the editorial layouts on existing papers and worked on the layout from scratch. Responsibilities include all in-house photography for the company and covering the major Norwegian music festival Hovefestivalen for three years straight.
